

UNIVERSITY OF WASHINGTON

*Maxillofacial Prosthetic Service  
School of Dentistry*

November 11, 2021

Dear Dr. Motoaki Ishibe:

I am most honored to offer input and congratulations on the opening of your new clinic. Having been involved in Graduate Prosthodontic education now for over 30 years, I have had the opportunity to mentor many students who have chosen a career path in Prosthodontics. I'm very proud of those who have trained in the Grad Pros Program here at the University of Washington. Among those who have done so a small number have really excelled in their training and have gone on to achieve notable recognition nationally and internationally.

In my estimation you are among the elite in the group of trainees that I have encountered and I am very proud of your efforts and accomplishments thus far. I have no doubt that those seeking your care in your new clinic are very fortunate and can expect nothing more than the excellent care and service I'm sure you will afford them.

Congratulations again on commencing your new endeavor and I wish you only the very best in the years to come.

Sincerely,

Jeffrey E. Rubenstein, DMD, MS  
Professor, Division of Prosthodontics  
Director, Maxillofacial Prosthetic Service

クリニック開設おめでとう。このような機会にメッセージを贈ることができ、とても嬉しく思っています。私はワシントン大学で30年以上、補綴専門医を目指す生徒の指導をしてきて、育てて行った人々のことをとても誇りに思っています。その中でも一部の者は特に優れていて、国内外で高く評価されています。

石部先生はこれまで出会ってきた生徒の中でも、そのエリートの一であり、これまでの努力と業績は私が誇るものです。私は石部先生の新しいクリニックで治療を受ける方々はとても幸運であり、彼はその期待に忘れてくれると確信しています。

石部先生、新しいクリニックでの門出を祝し、これからの幸運を祈っています。
